Sedan (right)—two of 16 beautiful models in 3 great new series.

You park and steer with finger-tip ease, yet the familiar feel of the road is still there. Driving is easier—and safer than ever

Power Steering! It's yours in Chevrolet for 1953 and in no other low-priced car! This wonderful new feature, optional on all models at extra cost, marks the most important advance in driver

convenience and safety since the automatic transmission, which Chevrolet also introduced into its field. Power Steering makes steering virtually effortless on all roads and at all speeds. It permits you to park, even in a tight space, with finger-tip ease. It cuts steering effort approximately 80%; reduces driver fatigue; makes driving simpler, safer and more enjoyable than ever before But come in! See and drive Chevrolet for 1953 with Power Steering and all its other exclusive advantages!
